Dear Mr. Smith,

We recently received the letter from you regarding this company's previous shipments to Chemetco. Upon our checking, we have found that we have not made any delivery of any metals to Chemetco's location in Illinois. Therefore, the questions would not apply to us.

Further, this company has stopped its operations in import and export and therefore, no future planning in delivery of metals of any kind to USA from this company has been made.

If we can be of any help to you regarding this matter, please do not hesitate to let us know.

Best Regards,

Steve Shen
Metals Plus Int'l Corp.
